

ACADEMIC RENEWAL

POLICY:

The Academic Renewal Procedure (Section 51318, California Administrative Code) permits the alleviation of previously recorded substandard academic performance which is not reflective of a student's present demonstrated ability and level of performance. As a consequence, Academic Renewal may gain for students the benefits of their current level of ability and performance and not permanently penalize them for poor performance in the past.

Therefore, within the regulations listed below, Fullerton College may disregard particular previously recorded substandard work from a student's *cumulative grade-point average*.

PROCEDURES:

The regulations and criteria for course alleviation are as follows:

1. The maximum number of units that may be alleviated is 24. Only units taken at Fullerton College may be alleviated, NOT units from other colleges.
2. Only substandard grades (D, F, NC, NP) can be alleviated.
3. A minimum of twelve (12) units must be completed at any accredited college or university, with a grade-point average of 2.50 in all units since the last semester of the requested renewal.
4. A minimum of 12 months must have elapsed since the most recent coursework to be alleviated was recorded.
5. Students must submit transcripts from ALL colleges/universities attended.
6. Courses that are appropriate for repetition may be exempt from consideration for alleviation.
7. Courses used in awarding an Associate Degree or General Education Certification cannot be alleviated.
8. A student may be granted academic renewal only once and **it is irreversible once posted to the transcript.**
9. Academic renewal by Fullerton College does not guarantee that other institutions outside the district will approve such action. This determination will be made by the respective transfer institutions.

APPLICATION:

To apply for Academic Renewal, students must complete the reverse side of this form. Official transcripts of all academic work (from all accredited schools) must be on file in the Admissions and Records Office at the time of request.

RECORDING OF ACADEMIC RENEWAL:

When academic work is alleviated, grades are not removed. They are noted and subtracted from the grade point average. All entries remain legible so that a true and complete record is maintained. There is no assurance that alleviated courses will be treated similarly by other educational institutions outside the District.
