

Requesting Fullerton College IGETC & CSU Certification

- A CSU/IGETC certification can be requested within the transcript ordering process, and should only be done if requested by a university or college.
- Be sure Official transcripts (high school, foreign, military, and other college), AP/SAT/IB scores, and other documentation must be on file when the request is submitted if they are being used for certification. Certifications cannot be mailed to students or third parties and cannot be rushed.

Verify Recipient Email

Input the mailing address or email address where the transcript will be sent

Attachment Options for this Recipient

Some recipients require additional information pages ("Attachments") alongside your transcript.

Any transcript order with an Attachment is currently limited to a single recipient.

Please select the CSU/IGETC certification ONLY if it is required by the California State University or University of California institution where you are sending the transcript.

Are you providing an attachment?

- No Yes (*This is not common*) [?](#)

You can also include any of the following school-provided items with your transcript by checking its box.

Please note, CSU/IGETC Certifications may increase transcript processing time by an additional 4 business days.

(Select one certification per institution)

- California State University General Education Certification
- Should only be requested if sending your final transcript to a CSU school
- IGETC (Intersegmental General Education Transfer Core) Certification

Indicate if you want your transcript to be IGETC or CSU Certified

- You will then be given the opportunity to review your order and pay for your transcript.
