

Fullerton College

Verification for Cross Enrollment to the CSU & UC

Step 1. Complete this form and submit it to the Fullerton College Office of Admissions and Records (Bldg. 2000) prior to the host campus filing period. You must verify admission and filing deadlines with the host campus. The Fullerton College A&R will review your academic record to verify that you meet all criteria for cross enrollment (*see reverse*) and complete the home campus (Fullerton College) certification.

Step 2. Once you have obtained home campus certification, you will deliver it to the Admissions & Records office at your "host campus" (CSU or UC) where you will be given further instructions on how to cross enroll. Students should be aware that they must petition the instructor to be added to any class they take through cross enrollment. You may only take one class at the CSU or UC per semester through cross enrollment.
